Let's read!

Dear Irina,

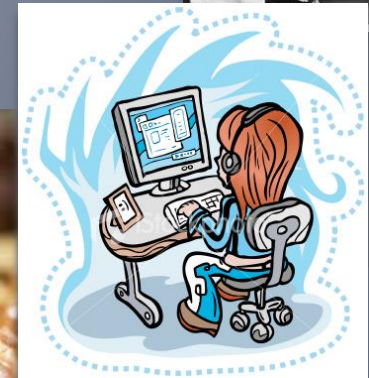

How are you? Long time, no see!

At weekends I usually stay at home. I often help my mum to do the housework on Saturday. I sometimes play tennis with my friends. My dad and grandad often play chess. And my grandad always win. My mum usually makes tasty cakes in the kitchen. We like them very much. In the evening she often surfs the Internet. My sister Jill seldom does the dishes. She likes theatre very much, so she goes to the theatre once a month. My little brother Sam never makes noise. He usually plays hide-and-seek with our kitten.

How do you usually spend your weekends?
